hi cheryl – i could talk tomorrow between 2 and 4.

i have been trading voicemail messages with andrew about clarification on a small thing relating to the private alcohol fuel issue, as i think we've had rather incompatible schedules the last couple weeks; i've also had a brief conversation with craig sparks, who contacted brian bell and me regarding a non-LAR issue that he's working on – not sure if you were calling about either of these two things, but let me know what you'd like to discuss, if that would be helpful beforehand. barbara

Would you have time for a call later today or tomorrow? Here are times that work for me:

12:30 -2 today

11:00 am-noon or 2:00-4 tomorrow

Thanks.
